Please see the online section of these instructions for more information.

Read the instructions carefully before completing the application. All fields are mandatory, incomplete applications will be returned, delaying licensure. Any omission, inaccuracy or failure to make full disclosure in an application or supporting documentation may be deemed sufficient reason to deny a license, or, if a license is issued could result in the suspension or revocation of a license.

Who must apply for a Barber shop owner or area renter license?

You must obtain a **Barber Shop Owner's** license to own, control or operate a barber shop, whether as a sole proprietor, partner, shareholder or officer. See chart on page 4. **Any licensed operator working at a barber shop and NOT employed by the owner of the business is an independent contractor and must obtain an area renter license.**

Note: A shop owner's license does not permit you to practice barbering. Each person performing such service must be licensed as a barber operator by the Department of State.

What is an "Area Renter"?

An Area Renter is a licensed operator who works in a Barber shop but who is *not employed by the owner*. If you are an Area Renter, you are an independent contractor and must obtain an Area Renter license in addition to your operator's license. An Area Renter's license alone does *not* allow you to provide customer services.

What are the general requirements for barber shop as area renter licenses?

Barber shop owner or Area renters must:

- be at least 18 years old;
- comply with all federal, state and local health and safety laws, rules, regulations and codes including the Americans with Disabilities Act; and
- operate the business or rent at the location listed on the license.

Are there any barbering prohibitions?

Yes.

1. A business license will not permit the practice of barbering at your business location if you have not first obtained a barber shop license pursuant to Article 28 of the General Business Law.
2. Apprentice barbers must be sponsored or supervised by a licensed barber, not a licensed natural hairstylist, and may not be employed by an Appearance Enhancement Business.
3. An apprentice barber may not own a barber shop or rent space in a barber shop.

What should I do if I close my shop?

You should notify this department of shop closure. A Barber Shop may be closed by downloading the Business Closing Form (DOS-1960) from our website and mailing the completed form to our office. There is no fee for the notification of closure.

When a shop closes it will cancel all Area Renter licenses associated with it; any Area Renter associated with the closed shop must apply for a new Area Renter license to be associated with a new shop. You may also submit this request online. See online section for more detailed instructions.

What do I do if the shop I'm renting in closes?

When the barber shop you rent from closes it will cancel your Area Renter license. You must apply for a new Area Renter license to be associated with a new business. You may also submit this request online.

Why do I need to provide my email address on the paper application?

Your email address will be used to create your NYS License Center

Barber Shop Owner or Area Renter Application

account. Most communications will be sent via email. If you change your email address in the future you will need to log into your account and update it with the new email address.

What is the fee, term of licensure?

A nonrefundable, \$60 application fee must be submitted with the application. Licenses are issued for full four-year terms, automatically expiring four years after the effective date.

What forms of payment do you accept?

You may pay by check or money order made payable to the Department of State. You may also pay by American Express, MasterCard or Visa, using a credit card authorization form or when applying online. Do not send cash. **Application fees are nonrefundable.** A \$20 fee will be charged for any check returned by your bank.

Child Support Statement

A Child Support Statement is mandatory in New York State (General Obligations Law) regardless of whether or not you have children or any support obligation. **Any person who is four months or more in arrears in child support may be subject to having his or her business, professional and driver's licenses suspended.** The intentional submission of a false written statement for the purpose of frustrating or defeating the lawful enforcement of support obligations is punishable under §175.35 of the Penal Law. It is a class E felony to offer a false instrument for filing with a state or local government with the intent to defraud.
